

# EXPAND 80 Series

EXPAND 80  
EXPAND 80T

## Unite your team

Unite colleagues with a premium scalable speakerphone for up to 16 in-room participants.

Thanks to six adaptive, beamforming microphones that isolate the human voice from reverb and ambient noise, everyone in the room can be heard and colleagues out of the office are closer to the conversation. Connect easily the way it suits you and enjoy rich, natural sound.

Finished with a sleek, high quality Scandinavian design, you can align with your team through perfect audio and superior style.

Warranty	2 years

## Audio

EPOS Voice™ technology	For a clear and natural listening experience. Beamforming digital MEMS omnidirectional microphones (6 microphones)
Microphone	6 digital MEMS omnidirectional microphones
Microphone frequency response	150 - 7,500 Hz
Microphone coverage	360 degrees
Speaker type	Neodymium ring magnet speaker (magnet mass: 42 g / 1.48 oz)
Speaker frequency response	50 - 7,500 Hz (communication) 50 - 20,000 Hz (audio streaming)
Music-Audio performance	Rich and authentic music reproduction through powerful ultra-low distortion speaker with dynamic equalizer and bass enhancement in a unique patent pending suspended speaker box.
Max Sound Pressure	85 dB
Communication-Audio performance	Exceptional conversation experience with excellent speech intelligibility and double-talk performance, even in challenging environments. Achieved through a highly advanced beamforming and echo cancelling system.
Speaker box	Highly rigid and well damped speaker chamber isolated from the remaining construction via a unique patent pending vibration cancelling suspension.

Fabric	The Kvadrat fabric is specifically selected for its resonance damping abilities ensuring highs without sharp peaks and lows with superior responsiveness. Overall this contributes to a smooth sounding system providing voices with warmth and clarity.
Kensington lock support	Supports Kensington lock inside or outside the product for a neat installation. Optimized for combination locks with T-bar interface and wire less than Ø5mm. Recommended locks: Kensington K65020WW Kensington K64674WW (Preset) Kensington K64675WW Kensington K68105WW
